

# Teacher Book Wizard™

The ultimate book search engine on Scholastic.com

[www.scholastic.com/bookwizard](http://www.scholastic.com/bookwizard)

**FREE!**

## The Online Place to Go for Teaching With Books

*Do you want to match the right books to your students?*

*Do you need to level your classroom library?*

*Do you want to find similar-themed books at different levels of difficulty?*

*Do you need high-low book recommendations?*

## Teacher Book Wizard Searches for Books the Way You Teach

- **Quick Search**  
Book and author information on more than 50,000 fiction and nonfiction titles from all publishers.
- **Advanced Search**  
Titles have been teacher-tagged by subject, genre, reading level, and interest level.
- **BookAlike®**  
A search designed by school librarians to mimic how they make book recommendations.
- **Search by Reading Level Systems**  
Grade Level Equivalent, Lexile, Guided Reading, and DRA.

Now, matching the right books to the right students is *easy!*

## And Check Out the List Exchange

- ✓ Find ready-to-go book lists by topic, theme, and grade level, created by Scholastic reading experts, teachers, and authors.
- ✓ Create and save book lists online.
- ✓ Share your own lists or collaborate with colleagues.
